Pony club is a grassroots organisation that helps our young members learn the art of riding and horse mastership. This Showing Series is designed to encourage members to work towards mastering the discipline of showing from presentation to ringcraft. All members are to work together and help each other always. **There is to be only kind caring behaviour, encouragement, and absolutely no coaching from the sidelines from our NEZ community.**

Together we do better. We include everyone.

All pony club members on a lead or needing adult assistance must enter the open age classes, all other classes are for members unassisted & independent in their riding and horse handling.
